Materials Needed

- 1 Ball Worsted Weight Yarn (Size 4, Medium)
- Knitting Needles – Size 9 (5.5mm)
- Cable Needle
- Yarn Needle
- Fleece or Flannel Fabric
- Sewing Machine (Optional)
- Sewing Needle

Abbreviations

- k: knit
- p: purl
- rep: repeat
- st: stitch
- 4/4 rc: slip 4 sts to cable needle and hold to back, k4, k4 from cable needle

Notes

- Skill level: Intermediate
- Gauge: Working in pattern, 22 sts x 20 rows = 3.5" x 3.5" (adjust needle size to ensure correct gauge)

Pattern

Cast on 22 sts

Row 1: k each st across

Row 2: k7, p8, k7

Row 3: k5, p2, k8, p2, k5

Row 4: k7, p8, k7

Row 5: k5, p2, k8, p2, k5

Row 6: k7, p8, k7

Row 7: k5, p2, 4/4 rc, p2, k5

Row 8 – 109: rep rows 2 through 7 (17 times more) for a total of 18 cables.

- Note: Add extra length or remove as needed in full cable sets (rows 2 through 7). Once desired length is achieved continue to row 110.

Row 110: k7, p8, k7

Row 111: cast off knitwise, leaving a long tail for sewing.

Pattern: Finishing Touches

- Place finished headband flat on lining fabric. Cut a rectangle using the headband as the pattern, leaving 5/8" extra fabric on each of the short ends for seams. (Note: Place the headband on the fabric so that the fabric stretches with the headband.)
- With right sides together, fold the extra fabric on both short ends down, away from the knit side. Sew the fabric to the headband on the long sides only, using a 5/8" seam allowance, and sewing the folded over fabric on the short ends down at the same time. This allows for easier hand stitching at the end. (Note: If using a sewing machine for this part, make sure the knit side is up so that it doesn't get caught in the machine.)
- Pull the headband through itself so that the right sides are facing out.
- On the knit side, using a yarn needle and the long sewing yarn, stitch the opening shut. Weave in all yarn ends.
- On the fleece side, make sure the seam allowances are folded in (as they should be from when you folded them over above) and hand stitch closed.
